

# The Madeleine School Fund Campaign 2024

## Frequently Asked Questions

1. **What is The Madeleine School Fund?** The Madeleine School Fund is the primary source of funding for our Tuition Assistance and Endowment Funds, which provide assistance to all students with financial need. It also encompasses our Area of Greatest Need which is vitally important to bridge the gap between tuition and the true cost of education.
2. **How will the school use The Madeleine School Fund donations?** Your gift helps fund the difference between the cost of tuition and the cost of educating each child and enables all students to receive a Catholic education regardless of their family income. Your gift of \$9,500 pays tuition for one child for one year, \$792 for one month and \$183 for one week.
3. **Who gives to The Madeleine School Fund?** Generous support comes from everyone in The Madeleine community: parents, alumni, faculty and staff, grandparents, and parishioners. With everyone working together, The Madeleine will continue as a thriving, well-funded, Catholic school for the next 100 years. How much you give is not as important as your participation. We seek 100% support from our alumni, parents, faculty and staff, grandparents, and parishioners.
4. **What is the goal for the 2024 Madeleine School Fund campaign?** Our goal is to raise \$100,000 by September 1, 2024. In addition, the OCF Joseph E. Weston Foundation will match your gifts to the Tuition Assistance and Endowment Funds up to \$100,000. Your donation is tax deductible as permitted by law.
5. **Can you accept matching gifts from my company?** Yes! If your company matches your giving, please choose The Madeleine School or The Madeleine School Endowment as the recipient for your matching gift. If you do not know if your company has a matching gift program, reach out to your employer to ask as this could potentially double your donation or possibly even triple it!

**Thank you for supporting The Madeleine School students!**
