WORKSHOPS

Workshops are 45 minutes in length and will be presented by Musicians from the Archdiocese. Please check all that you are interested in. Included expected # of participants per workshop. You may also prioritize them. Individual Participants will be able to attend a maximum of three.

- Vocal warmups – exercise your vocal cords the right way!
- How to choose music for the liturgy – resources for preparing music outlines
- The “ABC’s” of Music – A FUN way to learn rhythm and sightreading
- There is ONE voice - The art of creating a unified choral sound
- So you want to be a (better) cantor? Practical tips to lead the congregation in song!
- The digital age of choral music – using technology in a choir.
- Full conscious and active participation, liturgy, music, and ritual. What are guiding principles and the best pastoral practices?
- How Vatican II opened the doors for Contemporary Liturgical music – an interactive workshop that traces the development of the music we sing today.
- The art of aging gracefully as a singer – who said it can’t be done!

To SAVE your completed form, there are 2 ways: 1) click the box to the left and save it to your desktop. 2) If that does not work on your system, then "Right Click" your mouse, and choose the option to save the document. Save it to your desktop or a designated location on your computer. Then email the saved form to: mmanzo@themadeleine.edu
