Eighteenth Sunday in Ordinary Time

TODAY'S GOSPEL MESSAGE ABOUT POSSESSIONS isn't new, but it has special meaning for us in our consumer society. How do we tame our own wants and those of our children? How do we reconcile our concerns about financial security in a capitalist society with the warnings we hear today? Paul challenges us to discern whether we have taken off our old selves and put on our new selves in Christ.

“The message of unity that Heaven sends to earth does not fear differences, but invites us to communion, to start afresh together, because we are all pilgrims on a journey. #IndigenousPeoples #Canada.”

—Pope Francis via Twitter @pontifex

In the Gospel, Jesus tells the parable about the rich man who selfishly stored all his grain and goods only to die and not enjoy his abundance anyway. What we struggle all our lives to learn is that life does not consist of possessions nor our perceived security, but of being possessed by God. In the month of July, through your gifts, the Society of St. Vincent de Paul was able to assist families, providing food, help with utility and rent bills. Thank you!

PARISH LIFE

INTERESTED IN OUR CATHOLIC COMMUNITY, FAITH, AND PRAYER?

This fall we are offering a series of opportunities to explore Catholicism. These guided discussions are intended for those who are curious about the Catholic faith and/or for those thinking about becoming Catholic. We will be looking at the treasures and gifts of our Catholic faith through prayer, discussion, and response to questions. Some of the topics we will explore are the person and teaching of Jesus, the Mass, how Catholics read the Bible, Catholic Social Teaching, Mary, and the Saints.

Time and Place: Sundays at 8:45 am in

the Old Church beginning on October 9. These gatherings also serve as a foundation for those wishing to continue the process toward becoming Catholic. Bring an open heart and your questions.

Want to begin now? We are happy to have you join us for our weekend Masses during the summer months (5:00 pm on Saturday, 8:00 am or 10:00 am on Sunday). Contact Christi Bohmbach at rcia@themadeleine.edu with your questions, or visit www.themadeleine.edu/rcia

Green Tips for a More Sustainable Lifestyle

Vegetable patches and flower gardens both require care, sunlight and water. There are many ways to save water. First, it is more efficient to wait until evening to water your plants. The dampness of the night and the lack of sun will allow the water to penetrate into the soil instead of evaporating.

There is also a very efficient system that respects the rate at which the ground absorbs water: the drip system, which uses much less water, about 10 times less. To install this kind of watering system, just get a perforated garden hose that distributes water at the base of the plants.

Family Promise of Metro East gives faith communities, volunteers, and organizations a meaningful opportunity to be part of the solution to family homelessness. By working as a network to serve families in NE and SE Portland, the commitment is achievable.

The Madeleine will be serving as a support congregation for Ascension Parish as they host homeless families at their facility in August.

Volunteers are needed as evening hosts, dinner preparers and overnight hosts. Training for this ministry with our Ascension Parish partners will be occurring in mid-July.
