MAY CROWNING AND CAMPUS PLANTING

Wednesday, May 1 • Planting 9 am–2 pm • Crowning at 2:30 pm

May 1 is a special day in the Catholic Church, a day when we celebrate Mary, Mother of God with a May Crowning. This year, our school students, parents and parishioners are invited to make May 1 even more special with our Campus Planting event.

The Madeleine campus is known for its beauty, and it takes much work to keep it up. This year, we are asking everyone to help us transition many of the areas to perennials and lower-maintenance native plants as recommended by horticulturist Annalise Michaelson.

Campus Planting: 9 am–2 pm

For the planting portion of the day, drop in anytime between 9:00 am and 2:00 pm. School students will take class time to plant throughout the day on the school areas of campus, then parishioners and parents can work on areas around the Parish Hall and church. Bring your own trowel, gloves and kneepads, and stay as long as you want!

Crowning at 2:30 pm—Then, to cap off the day, we will have a May Crowning ceremony in front of the Parish Hall. Please join us for all or part of the day!

THE MC EXPERIENCE: LOOKING BACK—AND FORWARD

Prior to March of this year, I had never heard of “Master of Ceremonies” in the context of the Mass or any other liturgical service. The fact that I volunteered as Master of Ceremonies, or MC for short, at all this year’s Holy Week liturgical services, underscores my utter lack of understanding of the effort embodied in the role’s attentiveness, utility, and service, to the liturgy and all its participants.

What is an MC? According to the USCCB, it’s the MC’s role “to see to the appropriate arrangement of sacred actions and to their being carried out by the sacred ministers and lay faithful with decorum, order, and devotion.” Though an MC may be a priest or deacon, the duties are most often undertaken by a layperson and, since no specific ordination is required, women and men of faith can both serve. There is specific MC training, though lacking such certification I can tell you firsthand that

the position requires significant patience, coordination, quiet leadership, a spritz of humor, and the desire to immerse yourself in the beauty of the liturgy. As a lay ministry, it offers the chance to serve the entire liturgy in concert with all other ministers and especially the altar servers. And while closely attending to liturgical nuts and bolts was distracting, the intimacy inherent with bringing forth the full splendor of the liturgy gave me a special gift which I will share another time.

The MC has a place here at The Madeleine. It’s an opportunity to take a deep dive into the liturgy and provide a service to the parish which, if you do it as intended, occurs invisibly, behind the scenes. I’d love to share the experience with other Madeleine parishioners, in discussion and in service, so if you’re interested, please reach out to me, Dan O’Brien, at discerningcatholic@themadeleine.edu

Fourth Sunday of Easter

WE MAY SOMETIMES WONDER WHERE WE “BELONG” in a world that seems so wrought by division. In today’s Gospel, Jesus uses the ancient, but still powerful, image of the good shepherd who knows and protects his flock. Easter celebrates that we have been made one people by his death and resurrection. Baptism and Eucharist intensify our place in this body. Nothing could be more unifying than that.

This weekend, we welcome visiting priest Fr. William Sokolowski representing Food for the Poor. Details of his organization, Page 4.

MINISTERS OF HOSPITALITY NEEDED

Training opportunities available during May and June

Looking for a new ministry opportunity? The Hospitality Ministry is inviting families, couples, and individuals to consider joining the Hospitality team. We have the joy of greeting those who come through the door for Mass as well as providing service during the Mass (such as helping with the Presentation of the Gifts and taking

up the collection). We try to honor Mass preferences (only 8 am Mass, for example) and frequency of service (every week or just once a month). Training opportunities: May 11 or June 8 after the 5 pm Mass, May 12 or June 9 at 9 am. Interested? Contact Christi Bohmbach at c_bohmbach@yahoo.com or 503-206-1900.

MADELEINE BOOK CLUB

Do you love to read? Would you enjoy opportunities to meet with other parishioners and friends to discuss some very excellent books? Did you know we also have a very active prayer ministry you are welcome to participate in? To gather additional information, join our group, or submit a prayer request, please contact our coordinator Gretchen Stevenson, gypsyfrau47@yahoo.com or 503-312-6834.

- ▶ **Occupation:** I am an attorney working at McGill, Kapranos and Wynn for 33 years. I work with my wife, Carol Beltz-Wynn who is the office manager and paralegal.
- ▶ **Family:** Carol and I have been married for 32 years and have three children: Christian (26), a first year student at UGA Law School; Siobhan (22) a senior at Portland State majoring in psychology and Brady (19) a freshman at Portland State majoring in Urban Planning.
- ▶ I became a Knight to put my faith in action by serving our Parish and community. Carol and our children have participated in our Council's events and service projects over the years which has provided our family many fun and rewarding experiences.

ASSISTED LISTENING DEVICES AVAILABLE AT MASS

Available in the Sacristy to borrow

As lovely and soaring as our beloved church is, sometimes its lively acoustics can make hearing all of Mass a challenge...especially some of our presiders who are easier to hear than others. But we have a solution!

In the Sacristy, we have assisted listening devices for your use during Mass. They're very easy to use and can vastly improve the experience at Mass for those with hearing challenges. Just take a device, plug in a headphone, and adjust the volume to your comfort. We just ask you to sign the check-out list and return them at the end of Mass. Questions? Ask any Minister of Hospitality.

Today, we celebrate "Good Shepherd Sunday" where we reflect on Jesus' care and love of us. Last month, through your gifts, the Society of St. Vincent de Paul brought the love and care of Jesus to the poor by assisting 47 families, providing 854 lbs in food, \$2087 for utility and rent bills, etc. Thank you.
 —Mary Clare O'Brien, 503-309-7639

FAMILY ACTIVITIES FROM THERESE FENZL

Dear Madeleine Families,

The Gospel Reading for the coming Sunday focuses on the Risen Jesus as our Good Shepherd. This is an image of Jesus that really speaks to me. I am comforted by the image of the Risen Jesus walking with us and tenderly, lovingly caring for us. May this also be an image that offers comfort to your family. Here is Psalm 23 adapted from the same resource I shared with you last

week: You, Risen Jesus, are our Shepherd. We are your sheep. You lead and we will follow. You lead us to stillness and quiet water. You walk with us through dark valleys and lead us to the wonderful feast of the Eucharist. You lead us home. With You at our side we will not be afraid. How could we fear? You are right here with us. Amen.

May your family be touched by the presence and peace of the Risen Jesus.

CLARIFICATION REGARDING HOLY NAMES SISTERS AND AFFILIATES

First of all I want to thank Fr. Bonaventure and our parish community for praying for us last weekend as we assemble this week. While there are fewer Holy Names Sisters than in earlier times, and the number we are able to serve in direct ministry has lessened, there are still 270 SNJMs in the United States (230 on the West Coast and 30 on the East Coast.) The Sisters are changing their structure to be organized into 3 Regions (Canada, United States, Lesotho-Africa) rather than 4 Provinces. A Congregational Leadership Team will have 8 Sisters, with two of these

Congregational Leaders serving in the United States, continuing their collaboration with laity for many of the administrative needs of the Region. The mission of the Sisters is alive and well. The gathering in Portland April 16-18 of 150 Sisters and Affiliates in person with another 150 Zooming in virtually is an opportunity to learn about the changes in Congregational structure (ending the use of the word "Province" and changing to "Region") as well as a wonderful celebration of Community and opportunity for praying together. Thank you for joining us in prayer.

CELEBRATE MOTHERS ON MOTHERS DAY!

Upload mother & child photos by May 7 to www.themadeleine.edu/mothers

A May tradition at The Madeleine: celebrating the Month of Mary and Mother's Day in a special way! Mother's Day weekend May 11-12, we will show a slideshow of mothers and children sent in from The Madeleine Community. The photos will show both in the church at all Masses and on our livestream.

This year, again, we're making a fresh start, a blank canvas. So even if you've sent

us a photo before, please send a new one this year.

Submissions can be either a photo of mother and child (children), or a photo of mothers and their mothers. Please send us just one photo of a mother/child combo per family grouping, as we want to have time to show all our photos.

Upload your photos to our website at www.themadeleine.edu/mothers no later than May 7

Congratulations to our 2024 Confirmandi! Last Saturday, 11 Madeleine youth received the sacrament of Confirmation by Bishop Peter Smith at St. Ignatius. Thank you to everyone who prayed for them and helped them through the process.

HOW WILL YOU HONOR EARTH DAY THIS YEAR?

April 22 is Earth Day, and The Madeleine honors and celebrates this day with our annual E-Waste Recycling Event. Our local partner, Green Century Recycling, has described our event as “one of the funnest collection events we host all year!” This community-wide event is Evangelization in action!

Some impressive statistics worth shouting about include—

- ▶ In 2023, we collected 18,079 pounds of e-waste material otherwise destined for landfills.
- ▶ Partnering with Terracycle, our year-round recycling program has captured 343.95 pounds for responsible recycling.

Many environmental organizations are using Earth Day this year to call attention to the harmful effects of plastics, especially single use plastics. Plastic pollution is a global issue destroying environments, diminishing biodiversity, increasing global warming, and impacting human health. More and more microplastic particles are found in our own bodies (traces in breast milk) and those of other living creatures. Nonetheless, plastic is everywhere and production steadily increases.

According to Creation Justice Ministries’ publication, “Plastic Jesus”, one place where you will not find plastic is in the Bible. As people of faith, we are called to address the plastics epidemic in faithful and practical ways. Earth Day (and Month) is the perfect time to use our power to shape a greener future by our daily choices as consumers, voters, and advocates. Here are some simple ways we can take action:

Use your voice

As individuals, we have more power to enact change than we might think. Whether we are voting in an election or voting with our dollars, our actions make a difference. From raising awareness within our community to reaching out to brands, local representatives, and policymakers, there are many ways we can use our voice to urge the

adoption of eco-friendly practices and laws. Suggestions for effectively doing this include:

- ▶ Ask your favorite brand to make their packaging recyclable or ask your local representative to vote against or in favor of a certain bill. It all starts with a letter or email.
- ▶ When writing to change makers and legislators, be as specific and personal as possible. Provide examples of what you want them to do. Try including a personal story or experience about why this cause impacts or is important to you.

Sign the United Nations Global Plastics Treaty

The treaty calls for

- ▶ Consistent standards throughout the world
- ▶ A 60% reduction of fossil fuel-based production by 2040
- ▶ Holds plastic producers and retailers liable for environmental or health-related damages
- ▶ Encourages public and private sector investments in innovations replacing fossil fuel-based plastics
- ▶ Bans all plastic related tobacco products
- ▶ Bans export of plastic waste
- ▶ Establishes education and public awareness programs.

Vote with Your Dollars

Each purchase is a vote for what you want to continue seeing on store shelves. Cast your vote for a better future by buying less, reusing more, and choosing items with an end-of-life solution such as reusable or locally recyclable packaging.

We have the power and the responsibility to examine our daily habits and adjust them to combat waste. This responsibility is at the heart of Catholic Social Teachings. This Earth Month, let’s take decisive action to address the waste crisis and ensure a thriving planet for future generations.
