## Third Sunday of Lent

IN THE SACRED SEASON OF LENT, we are invited to acknowledge our thirst and our need for God. Let us not mask it or hide it with distractions or goods which cannot ultimately satisfy. We are invited instead to bring our thirst to God and, like the Samaritan woman, simply ask: Lord, give me this water, the water which will make us never thirst again.

### Advertise in the Parish Bulletin

It's one of the best kept secrets and biggest bargains in the area... advertising in our parish bulletin

It's a great place to get the word out to our parish community about your goods or services.

▶ **Affordable**—Starting at just \$220 per full year (January 1 through December 31)... of course we will prorate for the portion of the year your ad runs.

▶ **Versatile**—Many sizes available...based on our "single" size module, you can stack it two or three high, stretch it two or three wide...or more if space allows...whatever size you need to get your brand's message across to our readers.

▶ **Relatable**—Members of The Madeleine community tend to be very loyal to their fellow parishioners. By advertising in the bulletin, you're demonstrating that you're an integral part of this parish community.

▶ **Good Company**—On the back of our bulletin are some of the stalwart companies in our parish and community. Several familiar names have been with us for decades... isn't it time you joined them?

**Is global warming real? Can we do anything about it?** From Apostolic Exhortation "Laudato Deum" ("Praise God")

"71. Efforts by households to reduce pollution and waste, and to consume with prudence, are creating a new culture. The mere fact that personal, family and community habits are changing is contributing to greater concern about the unfulfilled responsibilities of the political sectors and indignation at the lack of interest shown by the powerful. Let us realize, then, that even though this does not immediately produce a notable effect from the quantitative standpoint, we are helping to bring about large processes of transformation rising from deep within society.

72. If we consider that emissions per individual in the United States are about two times greater than those of individuals living in China, and about seven times greater than the average of the poorest countries, we can state that a broad change in the irresponsible lifestyle connected with the Western model would have a significant long-term impact. As a result, along with indispensable political decisions, we would be making progress along the way to genuine care for one another."

TIPS FOR GREEN LIVING

**In our disposable society,** we have practically forgotten the usefulness of cleaning cloths. Ask a child to clean a spill with something other than a paper towel and s/he may tell you that it can't be done. Not only are trees cut down to manufacture paper towels, but the paper towels also generate waste that accumulates at the dump.

Why not turn your old sheets, towels and material into reusable cloths? Not only are you doing something good for the environment, you'll also save on buying paper towels. Proof that being ecological is also economical.

**Meet & Welcome Our OCIA Candidates**

Three adult candidates, previously baptized, are beginning their final steps for Reception into the full Communion of the Catholic Church at the 5 pm Mass April 18, 2026. The Rite of Welcome was celebrated Sunday, February 22.

These weeks of Lent are as the final weeks of the journey to Eastertide that began in September. Part of the reason they continue their faith exploration at The Madeleine is because of the welcome and support from our community. They especially felt your prayers and support during the Rite of Welcome. Please continue to extend that welcome in a special way during the coming weeks.

**Lenten Rice Bowls**

Each Lent, Catholic families across the country unite to put their faith into action through prayer, fasting and almsgiving. Through CRS Rice Bowl, families learn about how our sisters and brothers across the globe overcome hardships like hunger and malnutrition, and how through Lenten alms, we have the power to make the world a better place for all.

Rice Bowls are available in the church. Please be generous during Lent, then return them to the church on Holy Thursday.

**Church Cleaning Ministry: Mar. 16 1-3 pm, first & third Monday each month**

Your help is needed! Two Mondays a month, our Church Cleaning Ministry gathers to give the church...especially the Altar area...a thorough cleaning. **Church cleaning continues every first and third Monday of the month from 1-3 pm.** March 16 and April 6 are the next two dates. No permanent commitment is expected and plenty of cleaning supplies are provided. Please enter at the side door of the church.

ARCHDIOCESE OF PORTLAND IN OREGON

**Lenten Fasting & Abstinence—guidelines from the Archdiocese**

Ash Wednesday and Good Friday are obligatory days of fasting and abstinence for Catholics. In addition, Fridays during Lent are obligatory days of abstinence. For members of the Latin Catholic Church, the norms on fasting are obligatory from age 18 until age 59.

When fasting, a person is permitted to eat one full meal, as well as two smaller meals that together are not equal to a full meal. The norms concerning abstinence from meat are binding upon members of the Latin Catholic Church from age 14 onwards. Members of the Eastern Catholic Churches are to observe the particular law of their own sui iuris Church.

If possible, the fast on Good Friday is continued until the Easter Vigil (on Holy Saturday night) as the "paschal fast" to honor the suffering and death of the Lord Jesus and to prepare ourselves to share more fully and to celebrate more readily his Resurrection.
