

Care for our Common Home *Laudato Si*

Season of Creation Begins: Mass Sept. 1, 6:30 pm

Dear Parishioners,

I love that Pope Francis introduced the Season of Creation as a meaningful way for Catholics at this time in history to prayerfully acknowledge the tremendous gift that we have received in creation, that we ourselves are part of creation, and that we are charged within the manifold creatures to care for creation in a human, rational, and loving way. We're not great at it. But we can be better.

This year, for the first time, we have a unique liturgy to pray for the care of creation, that we might grow and "learn to live in harmony with all creatures." This

liturgy is one of many Masses for Various Needs and Occasions, which can only be celebrated on weekdays, never on a Sunday or Feast day.

This year we will celebrate this new liturgy, authorized by Pope Leo XIV on Tuesday, September 1, at 6:30 pm and again with the school on Thursday, September 24, at 2 pm with the school students. Please join the whole Church and all people of goodwill throughout the Season of Creation to reflect, examine, and grow in our love of God through our love and care for creation.

In Christ, Fr. B

Twenty-Second Sunday in Ordinary Time

JESUS REMINDS US THAT IF WE WISH to follow him on the path of discipleship, we will have to pick up and carry our own cross. Just as Jesus was willing to give his all to fulfill the Father's will, we must be willing to give our all to fulfill his will in our lives. It is only through such sacrifice that we will experience the fullness of joy and life.

PARISH LIFE

Thank You Fr. Nazario!

Farewell Celebration After Masses of September 5–6

The Madeleine Parish would like to thank Fr. Nazario Atukunda for his three years of service to The Madeleine Parish as a Priest-in-Residence. We are also grateful to him for his 12 years of service to the Archdiocese in parishes and in the Archdiocesan Tribunal as a canon lawyer.

May God reward you, Father, for your missionary service here in the USA! Fr. Nazario's last weekend of Masses at The Madeleine will be the weekend of September 5 and 6. Please leave Fr. Nazario a note with the cards provided in the back of the church.

Daily Mass Time Change: Tuesdays

With Fr. Nazario's departure, our Daily Mass times will be changing as follows:

- Beginning Tuesday, September 8, daily Mass on Tuesdays will be moved to 2 pm.
- Adoration will begin at 9 am with simple

exposition and extend until Benediction at 1:45 pm. Mass will follow at 2 pm.

- Wednesdays and Fridays at 8:30 am

St Vincent de Paul Can Use Your Help

Bring your donations to Mass, or help carry the basket at Mass

Have you noticed the St Vincent de Paul basket sitting at the entrance of the church? This is to collect your non perishable food donations each week.

It is then brought up with the offertory collection during Mass. This visual reminder is our call, as followers of Jesus, our duty to serve the poor and marginalized in our community.

Your Vincentians deliver food boxes twice a week. With your help, we can keep our pantry stocked to meet this high demand.

We are always looking for helpers to carry the basket up at each Mass. If you could lend a hand, please let the ushers know.

Bless you for assisting us in our mission of service to those in need.

The Madeleine Book Club

Ever thought of joining The Madeleine Book Club? Our group consists of a good mix of readers from different backgrounds, ages, and literary persuasions and we'd love to have you among our members! We are sure the books we have selected will entertain you with interesting characters, intriguing plots, and fine writing from

a variety of authors. We are currently reading Fr. Bonaventure's recommendation, *Born Only Once*, by Conrad Baars, which we will be discussing next month. To join our group, or simply for further information, please contact our ministry coordinator, Gretchen Stevenson: gypsyfrau47@yahoo.com (503-312-6834)

Today, we hear Jesus say to us, "For whoever wishes to save his life will lose it, but whoever loses his life for my sake will find it." The challenge is to let go so God can lead us. This month, through your gifts, the Society of St. Vincent de Paul enabled the poor to experience Jesus' presence by assisting 17 families, providing 479 lb in food from the pantry plus 16 food cards and \$200.00 rental assistance, also 8 Vouchers to help at the St. Vincent de Paul Thrift store.

TIPS FOR GREEN LIVING

Here is an ecological proof: We know a tree by its fruits. But we must acknowledge the fact that this generation would not be able to tell a pear tree from a cherry tree, peach tree or plum tree, not to mention bushes like the raspberry, blueberry and blackberry.

A fruit tree or bush planted in your yard will provide an unforgettable learning experience for children as well as a harvest to feed the family. Think about the pies you will be able to enjoy. Think about making jam to preserve the harvest. You will be living in a delectable garden!

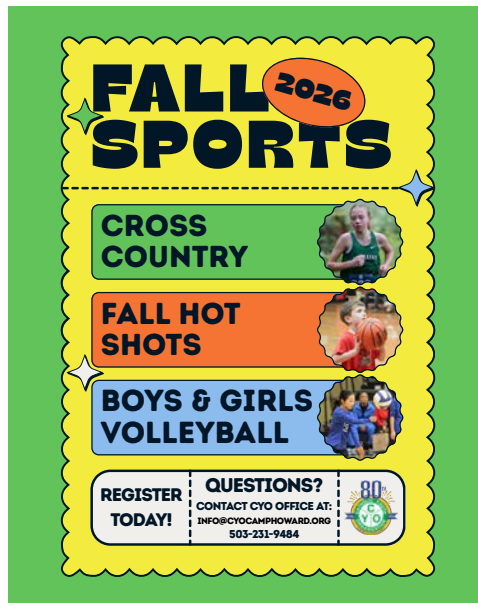

WorldWide Marriage Encounter:

Jesus said, "If anyone is willing to come after me, let him deny himself, and take up his cross, and follow me." Learn techniques to help face challenges in your marriage by participating in a Worldwide Marriage Encounter Experience on November 6, 2026, in Beaverton, Oregon. To apply for your WWME Experience or search other dates go to rediscoverthespark.org. For information about WWME call 503-704-0836 or by email at reservations@rediscoverthespark.org

“Faith is not something given to us once and for all. Rather, we continually need to rediscover the face of Christ and his Gospel, to enter more deeply into his message and to renew the choices we make in our lives, so that they may be consistent with what we profess. In this way, we can overcome the temptation to think that we already know everything and to reduce faith to mere habit.”

Season of Creation

September 1 - October 4

The Season of Creation spans five weeks between the World Day of Prayer for the Care of Creation (September 1) and the Feast Day of St. Francis of Assisi (October 4). In Pope Leo XIV's message for the 2026 World Day of Prayer for the Care of Creation, the Holy Father invites us "to contemplate the gift of life and to cherish the earth that sustains it, for they are tangible ways of offering praise to our Creator."

Pope Francis instituted the World Day of Prayer for the Care of Creation in 2015, noting that this time for creation offers "individual believers and communities a fitting opportunity to **reaffirm their personal vocation to be stewards of creation, to thank God for the wonderful handiwork** which he has entrusted to our care, and to **implore his help for the protection of creation** as well as his pardon for the sins committed against the world in which we live." Below are some ways to live out these three dimensions of Pope Francis' call, both as individuals and as a community.

1. Reaffirm Our Vocation as Stewards of Creation

As individuals and families: *Integral Ecology in the Life of the Family*

Adopting sustainable behaviors within the family can be the right path to address current environmental challenges and promote the integral development of each person. Read this document from the Holy See, *Integral ecology in the life of the family*, which offers ideas and guidance for embarking on this path.

As a community: *Educational Program*

There are many educational programs available to help you or your family reflect on how best to be good stewards of creation. One example could be a resource such as "All of Creation Sings" from the Catholic Climate Covenant which calls all of us to be instruments of God's peace and commit to climate actions as a way to avoid climate despair and sow climate hope. [Click here](#) to access this resource.

2. Thank God for His Wonderful Handiwork

As individuals and families: *Meal Prayer*

Before and after meals, say a short prayer of thanksgiving for the lifegiving food that sustains and nourishes us. Briefly consider how all nourishment ultimately comes from the earth, and give thanks for all the human hands that helped bring this food to your table. May we recognize, as *Laudato Si'* has taught us, that this "moment of blessing, however brief, reminds us of our dependence on God for life" (no. 227).

As a community: *Eucharistic Adoration*

One of the most meaningful ways we give thanks as Christians is through the sacrament of the Eucharist, a word which means "thanksgiving." As *Laudato Si'* proclaims, through the Eucharist, "the whole cosmos gives thanks to God" (no. 236). To celebrate this sacred reality during the Season of Creation, we recommend hosting a one-hour, care for creation-themed Eucharistic adoration in your parish.

3. Implore God's Help and Ask His Pardon

As individuals and families: *Confession*

In calling for a deep "ecological conversion," Pope Francis has emphasized the importance of examining one's own conscience, of recognizing one's sins against creation, however great or small. Seeing the interconnectedness of our world leads to an understanding that "[e]very violation of solidarity and civic friendship harms the environment" (*Caritas in Veritate*, no. 51). We invite you to bring these sins to confession and to perform a spiritual work of mercy for our common home, such as an act of "grateful contemplation of God's world" (*Laudato Si'*, no. 214).

As a community: *Mass for the Care of Creation*

The Holy See's Dicastery for Divine Worship and the Discipline of the Sacraments confirmed the English and Spanish translations of the Mass "For the Care of Creation" to be used in the United States. The new formulary was first added to the Roman Missal in 2025 and celebrated by Pope Leo XIV at Borgo Laudato Si'.

"The creative intelligence of humanity is a gift that can alleviate suffering and open up new possibilities, but it must remain ordered toward the common good, justice, the care of the vulnerable and creation."

- Pope Leo XIV, *Magnifica Humanitas*, no. 129

Examples of *Laudato Si'* in Action

Laudato Si' Leadership Cohort

The USCCB's Laudato Si' Leadership Cohort prepares diocesan leaders to create achievable Laudato Si' action plans to transform their communities. Cohort members are given the tools, expertise, and accompaniment to make concrete plans for their dioceses to respond to this call. Examples of Laudato Si' action plans include Atlanta, Chicago, Cincinnati, Davenport, Lexington, Kansas City-St. Joseph, San Diego, San Jose, and Seattle.

Formation and Advocacy on *Laudato Si'*

Many dioceses use the USCCB guide to introduce Catholics to this important encyclical. The Minnesota Catholic Conference created a localized study guide and materials to help Catholics in Minnesota consider how their faith calls them to care for our common home. Catholics can participate in federal advocacy to care for creation. Local advocacy is also important. As part of their Laudato Si' action plan, the Diocese of Kansas City-St Joseph is supplementing prayer and education efforts with opportunities for Catholics to advocate with the Missouri Catholic Conference.

Collaborate with CCHD, Catholic Charities and CRS

Dioceses can work with organizations funded by the Catholic Campaign for Human Development, such as the South Baltimore Community Land Trust (Archdiocese of Baltimore) which creates quality, zero waste affordable housing. Catholic Charities Brooklyn and Queens implements community gardening. The CRS chapter in the Diocese of San Diego helps Catholics advocate and support our brothers and sisters around the world facing poverty and environmental challenges.
