St Vincent de Paul Needs Your Help

Bring your donations to Mass, or help carry the basket at Mass

Have you noticed the St Vincent de Paul basket sitting at the entrance of the church? This is to collect your non perishable food donations each week.

It is then brought up with the offertory collection during Mass. This visual reminder is our call, as followers of Jesus, our duty to serve the poor and marginalized in our community.

Your Vincentians deliver food boxes twice a week. With your help, we can keep our pantry stocked to meet this high demand.

We are always looking for helpers to carry the basket up at each Mass. If you could lend a hand, please let the ushers know.

Bless you for assisting us in our mission of service to those in need.

Some Notes About the Budget

Regular Stewardship...funded by your regular stewardship...is our largest source of operating revenue. It is vitally important that every parishioner supports this faithfully. On the expense side, personnel is our largest expense commitment followed by operations such as utilities and insurance. Please also note that your regular donations help to keep tuition affordable at our largest ministry...The Madeleine School. And all parishes

are required to support the Archdiocese through assessments on donations. Finally, we designate funds to Capital Repairs...moving forward, we are dedicating 10% of our offertory to our capital repair account so as to be ready to cover not only the items on our recent inspection, but for unexpected needs that arise.

Historical Data and Trends

We also wanted to share with you some trend information. It's not surprising to anyone who attends Mass regularly...there are just fewer of us in the pews than there used to be. The Covid pandemic had an effect, but this trend began long before that.

Every year, a census/count is conducted at two Masses in November. As you can see in the graph, attendance has been declining since at least 2014 (a trend seen in parishes throughout our area, by the way). This trend is mirrored in our income numbers as well. With fewer people attending, that corresponds to fewer people donating. One interesting note: the number of people receiving sacraments (First Reconciliation/Communion, Baptisms, Weddings, Confirmations, Funerals) has stayed pretty constant since 2019...it's just not translating to attendance on Sundays.

Sunday Plate/Regular Stewardship donations, aside from a blip in 2023, have decreased annually since 2022. Other Income (Facility Rentals, Convent Lease, etc) has made up some of this shortfall.

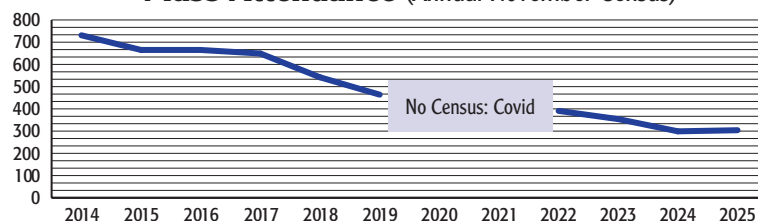

Reins kept on surging expenses

On the other hand, expenses increase relentlessly. Personnel costs (yearly COLA increases, skyrocketing healthcare costs), play a part, but utilities (electricity, water, gas) have increased precipitously....nearly doubling in the past six years. While the chart shows fairly modulated changes year over year, these trends have been accomplished by exceptional work in our business office instituting budgeting controls and cost containment. Aside from wise price shopping for services (for instance, we're saving more than \$500/month just on phone and Internet service thanks to switching providers), a large part of the budget savings came from decreased personnel costs. As people retired, some responsibilities were reconfigured within the remaining staff, while other responsibilities fell away.

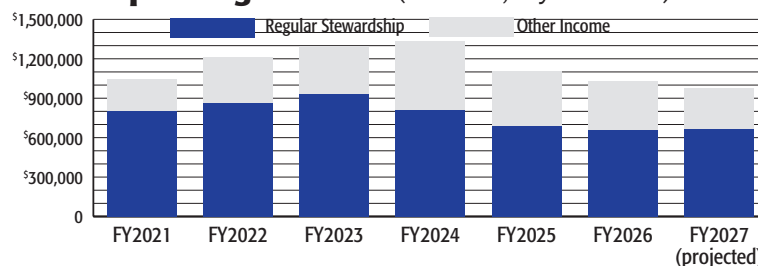

The result of this? Fewer staff available to organize events, manage Care for Creation efforts, manage outside space rentals and oversee events such as receptions, concerts, etc. Things like the Wine Tasting, Crab Feed, Mardi Gras which were organized primarily by staff have fallen by the wayside. And as our total numbers of regulars at Mass has decreased, that affects how many people can and will volunteer.

We are grateful for the many volunteers we have, who assist with everything from religious education, to counting offertory, to liturgical duties and more. But we dearly need more people to step forward and volunteer to help in several other areas, from events to minister scheduling and much more.

Capital Repairs and Maintenance

As you know, we have a campus full of historic buildings. Historic, a beautiful word, also is synonymous with “old.” And old means maintenance and repairs. In an effort to assure the health of our buildings, we provisioned an assessment by a professional inspection firm to help us create a roadmap for us to use moving forward. For instance, we are in a time where nearly all the roofs on the campus are in need of replacement. Several of the boilers that heat the buildings are nearing or have surpassed the end of their useful life. Several of the electrical panels on campus have been identified as near or beyond their useful life. These are just a few of the recommendations.

Work proceeds on many of these using funds from our capital repair funds, but there will likely be a time where we need to ask for more. You'll hear about that as we go. But do know that 10% of your Regular Stewardship donations are immediately ushered into capital repair. Of course, if you wish to provide a legacy gift... donations of appreciated stocks or securities, Qualified Charitable Distributions from IRAs, or even remembering The Madeleine in your will...we'd be very grateful.

Rooted in Love: A Women's Retreat, led by Rachel Clouser

Retreat Dates: January 22-24, 2027

You're invited to step away from the noise of daily life and come away for a weekend of rest and reflection at Mount Angel Abbey.

Today, more than ever, our identity and dignity as women is being challenged. The world tells us many things, most of which are not rooted in the truth of who God created us to be.

Through five different sessions, including a guided Visio Divina meditation, we'll explore practical ways to root yourself in God's love and cultivate a deeper relationship with the Lord. Learn more at MountAngelAbbey.org/Retreat

Parish Stewardship Campaign is in the mail!

Our Parish Stewardship Letters for the 2026-27 have been mailed! This is the campaign that funds our parish for the upcoming fiscal year. If you have not yet received a letter, contact the Parish Office.

The feature most folks are

drawn to is the graph in the middle of the page that shows your recent 5-year giving trend compared to parish averages.

This letter, and the graph, show giving for our Parish Offertory, our Capital Repair Fund.

Upon receiving your letter, if you have questions about the Stewardship Campaign, your past giving, or your upcoming donation, contact our Business Manager, My Schoning, 503-281-5777 or mhoang@themadeleine.edu

By The Numbers

1 Your Giving History. So you don't have to dig through your bank records, these green bars show how much you've given each fiscal year (July 1–June 30) over the past five, averaged by month for simplicity. Parish Offertory and Capital Repair gifts are used here.

2 All-Parishioner Average Giving. For context, the blue line shows average monthly contribution per contributing parish family over each of the past 5 fiscal years.

3 Contact information. We have included what we have for your current contact information. See an error or a phone or email missing? Just make the correction when you send in your commitment card!

4 Suggested 2026-27 monthly amount. This is an amount for you to consider for your 2026-27 giving. It reflects the greater of your prior year monthly average plus our requested 5% increase for this fiscal year, or the parish average. It's just a suggestion, of course...we are grateful for any amount.

5 Your Commitment. Here is where you enter your commitment for the coming year...intended to cover not only your Parish Offertory, the main fund that our parish runs on, but Capital Repair Fund also.

6 Method of payment: We are really hoping people will experience the convenience of automatic electronic payments this year. Complete instructions are on the back of your commitment card.

Dear John and Jane,

Thank you for your support of The Madeleine! Every family, every person in the parish benefits from your generosity. Your ongoing support is critical to the ministries and mission of The Madeleine.

I feel it's incumbent on me, our staff and our Finance Council and Pastoral Council to be as transparent as possible regarding our finances and financial condition. So for the first time in a decade or two, we are sharing with the entire parish some of our financial information...in this case, our Fiscal Year 2026-27 budget and some recent history. First, be very clear...we are on solid financial footing. That said, as you can see from the attached, there are some headwinds and some challenges that we've overcome thus far and that we are encountering moving forward.

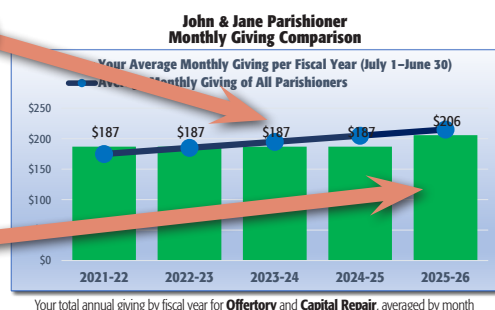

If you have any questions, please contact My Schoning, our Business Manager, at the Parish Office, 503-281-5777.

In Christ,

Fr. Bonaventure Rummell

Fr. Bonaventure Rummell, Pastor

PS. To ease the task of our Business Office in the processing of pledges and gifts, please join us for our Commitment Weekend September 19–20, or mail to the Parish Office by September 30. Thank you so much!
